## Member Organizations

### Planned Parenthood Association of Ghana (PPAG) - STREETWAVE

The **Planned Parenthood Association of Ghana (PPAG)**, with support from UNFPA, launched the contraceptive awareness campaign dubbed **“StreetWave:** to amplify voices and empower choices. This initiative aims to raise awareness about family planning, dispel myths, and promote informed decision-making among young people.

## Savana Signatures - Community Engagement for Health & wellbeing

The **Savana Signatures** under the **USAID Ghana/ ASBC Activity** supported the **Ghana Health Service** in training Community Health Management Committee (CHMC) members across **CHPS Zones in the West Gonja District** on Community Engagement for Health and Wellbeing, a strategy for equipping rural communities to identify and analyze local health challenges to address them.

**Savand**  
Signatures.  
Join the For-Impact team

The USAID Ghana/ASBC Activity which is encouraging communities in northern Ghana to prioritize and adopt healthy behavior's and practices for improved outcomes, This activity was rolled out in the seven districts across Savannah Region this year.

## Curious Minds Ghana(CM) - Courtesy Call to King Tackie Teiko II

Curious Minds Ghana made a courtesy call to the **President of the Ga Traditional Council, King Tackie Teiko Tsuru II**, to seek his blessings, provide an overview of our organization's work for the betterment of the Ga community, and to discuss opportunities for collaboration. as part of the continuous effort to empower young people in societies

**PRESBYTERIAN HEALTH INNOVATIVE PROJECTS (PHIP)**

## Presbyterian Health Innovative Projects (PHIP).

Presbyterian Health Innovative Projects, Over the period has increased skilled delivery in Talensi/Nabdam and Garu/Tempane districts, with 45 Community Health Committees participating in health decision-making in 9 health centers, 10 clinics, and 25 CHPS, and increasing fully functional CHPS.

## Theatre For Social Change (TFSC) - Cultural Lab

**Theatre for Social Change and BAG co-hosted Culturalab**, a youth exchange project in **Jamestown**, highlighting the importance of parental support and creating safe environments for children, addressing traditional gender roles, obstacles, and empowerment.

## Project - Reproductive Health Education (RHE) Updates

**Norsaac's** RHE Fair bus brought vital Reproductive Health Education to Mamprugu Moagduri District, emphasizing topics like Menstrual Hygiene, Contraception, STIs, Teenage Pregnancy, and Unsafe Abortion.

The Activity was filled with learning and fun for the Loagri community youth, empowering informed decisions for their health and well-being.

## The Secretariat

### Staff Capacity Building: Understanding Alliance Structures, Modalities, and the Importance of Safeguarding

Staff members of the **Ghana Sexual and Reproductive Health Alliance Secretariat** participated in a capacity-building session to reinforce their understanding of the Alliance's structures and modalities, while also emphasizing the importance of safeguarding as a core principle in their work.

# The Alliance NGB Meeting

As part of fulfilling its statutory obligations, the **National Governing Board of the Alliance** convened to review and evaluate the ongoing progress of the organization. The primary purpose of this meeting was to critically assess the achievements and challenges faced by the Alliance, ensuring that all members remain committed to the strategic goals and growth of the organization. Through this meeting, the Board reinforced its dedication to upholding the mission and advancing the objectives of the Alliance, thereby strengthening the collective efforts of its members.

## Power To Youth Project

Under the Power to Youth Project **GHAlliance** together with various **CSOs, government agencies and stakeholders** met to address plans for implementing tax waivers on sanitary products in Ghana. Building upon the initial engagement with policy influencers and other stakeholders. The aim was to make sanitary products more affordable and accessible, advocate for sustainable solutions to period poverty, and ensure inclusivity.

## KGL Foundation - The I Choose Project - SRHR Caravans.

In the effort to provide a safe and supportive space, raise awareness on SRHR and SGBV for young people, The **GHAlliance** with support from the **KGL Foundation**, organized an institutional tour with SRHR/SGBV information and services throughout 2 tertiary institutions, 5 senior high schools,

# UNLOCK THE WORLD OF SRHR!
